PROGRAM: Current Trends in Drug Abuse

American society is experiencing a fundamental shift away from plant-based classic drugs of abuse, such as cocaine, and rapidly moving toward synthetic pharmaceutical drugs of abuse. This important seminar will document the shift in drugs of abuse and its impact on the Employee Assistance Programs throughout Illinois.

PRESENTER: Bruce R. Talbot, MPA

Sergeant Bruce R. Talbot (Ret) served 27 ½ years as a police officer in the Metro Chicago area. He received a BS from Southern IL University, a Master of Public Administration from Roosevelt University and a Management Certificate from Northwestern University. Sergeant Talbot is a certified instructor by the Illinois Local Law Enforcement Training and Standards Board as well as the National Highway Traffic Safety Administration, specializing in drug/alcohol impairment recognition training. He has over 18 years of substance abuse training experience and is a US Substance Abuse and Mental Health Services listed provider.

Sergeant Talbot has been published in scientific journals as well as the popular press and has appeared on several public opinion programs, including *The TODAY Show*, *CNN Talk Back Live*, *ABC A Closer Look*, and *CBS Eye on America*. Sergeant Talbot has been called as an expert witness before two US Senate Committees considering gateway drug legislation, and has been qualified as an expert drug witness in criminal courts in Texas and Illinois.

2.0 PDHs and CEUs are available for Social Workers, Professional Counselors, Marriage and Family Therapists, Addiction Counselors, and Human Resources Professionals.

**If you are a member of another local EAPA Chapter, we will honor your membership and welcome you as a guest with no charge. If you do not belong to a local EAPA chapter, you will be charged the non-EAPA member fee for attendance.*
